If You Have a Grievance

Please don't go to the crowd's nest. Instead, check with the volunteer at the gate to pause action, visit with an arena director and, in turn, a judge.

Reminder on Rule Changes

Rulebooks are available in the lower level of the crowd's nest. Here are 2011 changes:

Points The senior team roper in the Pro-Am will receive cash and prizes at each rodeo, plus, points toward the year-end event award, but will not accumulate points toward the all-around. Points earned in open events apply to any division, with the exclusion of Open-Team Roping.

Tie Down Any contestant, regardless of gender, may enter the breakaway and tie-down roping events. See rulebook for complete rules on tie down roping.

Thank You for Helping

Mandan Horse & Saddle Club rodeos are made possible through the volunteerism of many members. Thank you for pitching in when you see that something needs to be done - whether it be opening or closing a gate, helping around the chutes, setting up barrels, picking up hats, or holding goats! We appreciate the efforts of all!

Manure on the Grounds

Out of respect for others that use Dacotah Centennial Park, rodeo participants are asked to avoid dumping manure and wood chips from their trailers.

Electrical Hook-ups

The Bis-Man Stock Car Assoc. pays the electrical bill for the park. The fee for anyone plugging trailers into the outlets is \$10 per day. Outlets are locked and may be unlocked by an MHSC officer.
