## Community Grants Help MHSC Grow & Improve

We are incredibly grateful for the generous community support we've received through several grant programs this year. We were awarded \$2,000 through the Mandan Park District's Matching Grant Program, which allowed us to purchase 36 portable panels. These panels will help us create additional pens and better accommodate larger events.

We also received \$1,000 from the Mandan Progress Organization's Local Event Grant. Half of the funds were issued as cash and the other half in Mandan Bucks. We used both to purchase the high school rodeo jackets from a local Mandan business, and we are thankful for the opportunity to support our community in return.

Additionally, the Mandan High School Rodeo was awarded \$1,350 through the Partner Event Grant from the Bismarck-Mandan Convention and Visitors Bureau. This grant supports events that bring out-of-town attendees to the area. They provided us with a Welcome Banner and the funds helped us purchase gift cards for our event volunteers. We truly appreciate their support in helping enhance the experience for our participants and volunteers.

# Thank You
