WATER. Hydrant near west gate to stock car complex.

GRIEVANCES. Please don't go to the crow's nest. Check with volunteers at gate to pause action, visit with an arena director and, in turn, a judge.

THANK YOU FOR HELPING. Mandan Horse & Saddle Club rodeos are made possible through volunteerism of many members. Thank you for pitching in when you see that something needs to be done — whether it be opening or closing a gate, helping around the chutes, setting up barrels, picking up hats, or holding goats! We appreciate the efforts of all!

MANURE CLEAN-UP. Rodeo participants are asked to avoid dumping manure and wood chips from their trailers. Please pitch manure piles around your trailer back in it or use available manure forks and wheel barrows, taking to dumping stations.

UTILITY HOOK-UPS. The Bis-Man Stock Car Association charges \$40/day for a full hook-up and \$30/day for electrical. Do not park in these spots unless you're willing to pay the fee. Outlets are locked and may be unlocked by an MHSC officer. Reserve online: <https://dacotahspeedway.com/camping/>
