

SOUND SYSTEM FOR SALE

The Mandan Horse & Saddle Club is accepting bids on the sound system from its previous arena and crow's nest. Last used in 2021 and worked well; in storage since.

Bids accepted through Sunday, Nov. 26, 2023, at 7 p.m. CT via the MHSC Facebook page at www.facebook.com/MandanHorseSaddleClub. See Sound System post pinned at top of page. Indicate bid \$ amount in comment section.

Portable speakers, tripod stands, and amplifier purchased approx. 2015. All items sell together, as is. Winning bidder must pick up items in Bismarck-Mandan area within 2 weeks of bid closing. Minimum asking price: \$2,250.

Details:

- (4) portable loud speakers, QSC Model K12, with 8 cords for connecting to each other, amplifier and power source (similar new models sell for about \$1,000 each online),
- (4) tripods stands for portable speakers,
- Yamaha MG06X mixing console (used with the speaker set),

Also included:

- Wireless handheld microphone, Shure PGX24/SM58, with manual (cost \$330 in 2010; purchased from DJ Supply),
- Wired microphone, Shure SM58
- Microphone, Samson CS series
- Atlas Sound AA120 mixer amplifier

The MHSC is selling the system because it is no longer needed. The new Dale Pahlke Arena and Pahlke Steel-sponsored crow's nest is equipped with a permanent sound system.
